

folded BUSINESS CARDS

Tips, Ideas & Pricing Guide

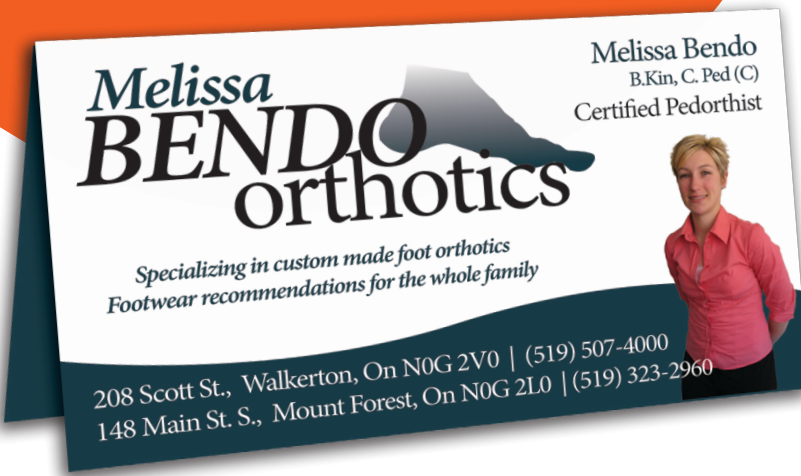

Consider:

Using the extra space afforded by a folded business card to add value through;

- coupons
- appointment cards
- punch cards
- request cards
- sports schedules
- take-out menus
- event calendars
- score cards

With a folded card you have **twice the amount of printing surface** as a standard 3.5-inch by 2-inch business card, but when it's folded it takes up the same amount of space.
